SURFACES

A large, light green circle is centered on the page. Inside the circle, there is a detailed line drawing of a landscape. The scene includes a long, low wall or bridge structure with a series of steps along its left side. Several small figures of people are walking along the top of the wall. In the background, there is a setting sun or moon over water, with a few birds flying in the sky. The foreground shows some small bushes and trees. Outside the circle, on the left and right sides, are two large, dark grey, semi-circular shapes that resemble stylized faces or ears.
